

# FlexSmart

With the FlexSmart system service body compartments and load space can be easily customized and adjusted to meet a full range of storage and organization needs. Shelves, trays, racks, hooks...you choose the component and the configuration! Tools, supplies and equipment are visible, organized and easily accessible. Plus, you can change the component and configuration at any time with a quick turn of a wrench. Now, that's smart - FlexSmart

# STAYS™

1/4-inch bolts hold FlexSmart components securely into adjustable channel clips

## FLEXIBLE!
